

RUGGED USB HUB BY GAMBER-JOHNSON

Connect all of your devices using the Rugged USB Hub

Utilize Gamber-Johnson's new Rugged USB Hub to connect your computer, smartphone, keyboard, and other devices to build a complete desktop or mobile office solution.

The Rugged USB Hub features a USB-C port to connect our smartphone charging cradle or other USB-C device, an HDMI port to connect a touch screen, an Ethernet port to connect to a network, and USB ports to connect auxiliary peripherals. An integrated cable restraint system keeps cable connections secure and the mounting hole pattern in the base of the hub makes mounting the hub very easy.

Combine the Rugged USB Hub with Gamber-Johnson's 13.3" Capacitive Touch Screen, a smartphone charging cradle, and the Rugged Lite Keyboard to build a mobile office solution.
