GAMBER JOHNSON

INSTALLATION INSTRUCTIONS

Product	**Revision**	**Form**
7160-1773-XX	Rev B	INST-1114
DELL 7230 TABLET CRADLE		**Printing Spec:** PS-001

This instruction sheet is for the Dell 7230 Tablet Cradle only. For instructions on features, set-up, and operation of the Dell 7230 computer, please refer to the manual provided by Dell with the computer.

This cradle is designed to be used with a variety of Gamber-Johnson mounting systems. Installation instructions for other Gamber-Johnson products are provided with each individual product.

This instruction sheet is for the following products:
Item No. 7160-1773-00 Non-RF
Item No. 7160-1773-04 Quad-RF

A USB-C Power Adapter is required to charge the tablet in this cradle, the below power adapter is sold separately unless ordered through a KIT.
7300-0621 - 11-16VDC Input - 100W USB-C Output - Available with the Cradle as a KIT: **7170-0992-XX**

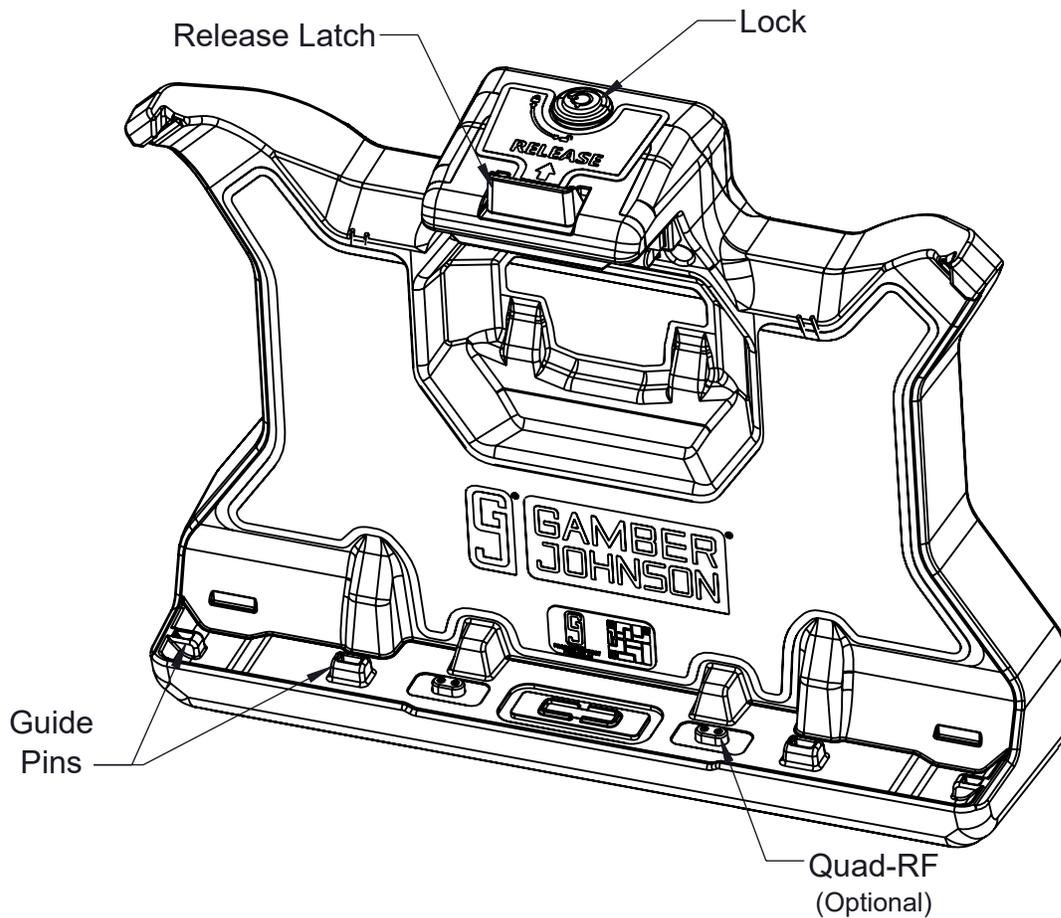

Product Mounting Disclaimer

Gamber-Johnson is not liable under any theory of contract or tort law for any loss, damage, personal injury, special, incidental or consequential damages for personal injury or other damage of any nature arising directly or indirectly as a result of the improper installation or use of its products in vehicle or any other application. In order to safely install and use Gamber-Johnson products full consideration of vehicle occupants, vehicle systems (i.e., the location of fuel lines, brake lines, electrical, drive train or other systems), air-bags and other safety equipment is required. Gamber-Johnson specifically disclaims any responsibility for the improper use or installation of its products not consistent with original vehicle manufactures specifications and recommendations, Gamber-Johnson product instruction sheets, or workmanship standards as endorsed through the Gamber-Johnson Certified Installer Program.
