Honeywell PR4 printer mount

Revision

Rev A

Form

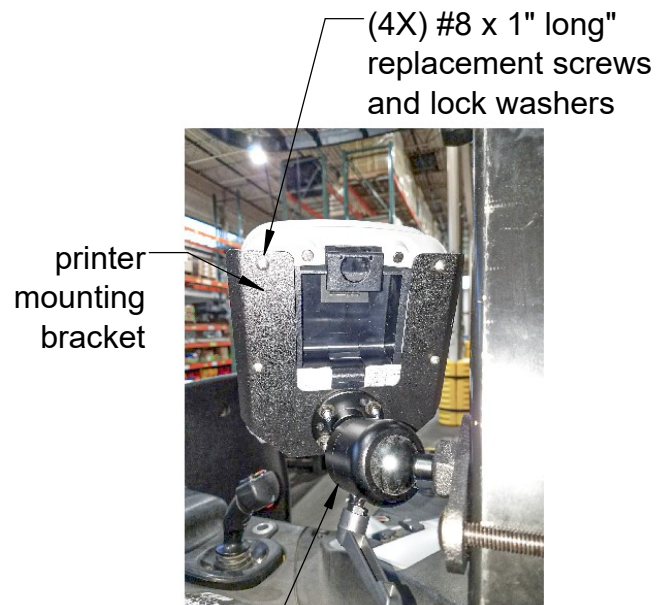

INST-1109

Printing Spec: PS-001

This instruction sheet is for the Gamber-Johnson 7160-1816 printer mount only. For information on the Honeywell RP4 printer see the manuals supplied with the printer.

Attaching the printer bracket to the printer:

1. With the printer positioned upside down on a desk top, remove the 4 screws on the bottom side of the printer.
2. Attach the RP4 printer bracket to the bottom of the printer with the #8 x 1" long screws and lock washers provided in the hardware bag.
Note: Be carefull not to overtighten the screws so you don't strip out the plastic.

7160-1261

Attaching to a motion attachment:

1. The printer (with mounting bracket attached) can now be mounted to a motion attachment like a 7160-1261 or other type of motion attachment with the AMPs hole pattern.
2. Attach the printer mount to the motion attachment with the (4) #10 flat washers, and lock nuts provided in the hardware bag.

Product Mounting Disclaimer

Gamber-Johnson is not liable under any theory of contract or tort law for any loss, damage, personal injury, special, incidental or consequential damages for personal injury or other damage of any nature arising directly or indirectly as a result of the improper installation or use of its products in vehicle or any other application. In order to safely install and use Gamber-Johnson products full consideration of vehicle occupants, vehicle systems (i.e., the location of fuel lines, brake lines, electrical, drive train or other systems), air-bags and other safety equipment is required. Gamber-Johnson specifically disclaims any responsibility for the improper use or installation of its products not consistent with original vehicle manufactures specifications and recommendations, Gamber-Johnson product instruction sheets, or workmanship standards as endorsed through the Gamber-Johnson Certified Installer Program.
